Student Services: The ACCENT Centers

ACCENT is an independent study abroad program provider with a multinational team of staff members who all have personal experiences in study abroad. With more than 20 years of experience coordinating high-quality overseas study programs, ACCENT works in partnership with U.S. colleges and universities to develop academically challenging and culturally enriching overseas study experiences in Paris, Florence, London, Madrid and Rome. Each city is home to a fully staffed ACCENT Center that serves as a home base for program participants. The ACCENT San Francisco Center coordinates program enrollment and pre-departure preparation for students, helping to make their transition to living overseas as smooth as possible.

The ACCENT Madrid Center is located in the Castelian neighborhood of Chamberi, near the city's financial district. The Madrid Center and classrooms are located within the facilities of the historic Instituto Internacional which is just a short walk from shops, cinemas, restaurants, museums and libraries. The study center provides a student common area with adjacent garden, a cafeteria, a 70,000 volume library and student study area, as well as DSL and wireless connections for laptops. The ACCENT Center is open during the week for students to use the resource and lending library, ask questions and collect their mail.
