Chem. 130 Questionnaire

Name _______________________

1. What year did you graduate from high school?

2. What was the title of the last chemistry class you completed? Circle this sentence if you have never taken a chemistry course. (e.g. high school chemistry, chem. 110, etc.)
   a. When did you complete your last chemistry class?

3. Have you taken Chemistry 130 or its equivalent in the past?

4. What was the title of the last math class you completed? (e.g. pre-algebra, algebra, pre-calculus, differential equations, etc.)

5. When did you complete your last math class?

6. What classes are you taking this semester?

7. Why are you taking this course? (e.g. required for major, I love chemistry, etc.)

8. What is your major or what do you want your major to be? (undecided is a possible answer)

9. Do you have a computer at home?

10. On a scale of 1 – 10, rate your interest in chemistry.

   Scale
   1 = I am taking this class because I must. I absolutely despise chemistry.
   5 = I am ambivalent. I don’t hate chemistry, but I don’t really like it either.
   10 = Chemistry rocks!! A day without chemistry is like a day without the sun.
